REPUBLIEK VAN SUID-AFRIKA

LETTERS PATENT  
(PATENTS ACT, 1978)

PATENTBRIEF  
(WET OP PATENTE, 1978)

No. 90/10416

WHEREAS ALDEMA LTD  
NADEMAAL

(Hereinafter called "the Patentee")  
(Hieronder "die Patenthouer" genoem)

has applied to me for the grant of a patent in respect of an invention described and claimed in the complete specification deposited at the Patent Office under the above-mentioned number, a copy of which is annexed, together with the relevant Form P. 2; and I have granted such patent in respect of the invention described and claimed in the complete specification deposited at the Patent Office under the above-mentioned number, a copy of which is annexed, together with the relevant Form P. 2; and I have granted such patent in respect of the invention described and claimed in the complete specification deposited at the Patent Office under the above-mentioned number, a copy of which is annexed, together with the relevant Form P. 2;

NOW THEREFORE these Letters Patent are to grant to the Patentee a patent, the effect of which shall be to grant to the Patentee the right to exclude other persons from making, using, exercising or disposing of the invention, so that he shall have and enjoy the whole profit and advantage accruing by reason of the invention; and I have granted such patent in respect of the invention described and claimed in the complete specification deposited at the Patent Office under the above-mentioned number, a copy of which is annexed, together with the relevant Form P. 2; and I have granted such patent in respect of the invention described and claimed in the complete specification deposited at the Patent Office under the above-mentioned number, a copy of which is annexed, together with the relevant Form P. 2;

IN TESTIMONY WHEREOF the seal of the Patent Office has been affixed at Pretoria with effect from the date hereof; and I have granted such patent in respect of the invention described and claimed in the complete specification deposited at the Patent Office under the above-mentioned number, a copy of which is annexed, together with the relevant Form P. 2; and I have granted such patent in respect of the invention described and claimed in the complete specification deposited at the Patent Office under the above-mentioned number, a copy of which is annexed, together with the relevant Form P. 2;

24TH day of DECEMBER nineteen hundred and NINETY-ONE  
dag van DECEMBER eenduisend negehonderd

  
Registrar of Patents/Registrateur van Patente
